THE LEGACY CLUB

The Legacy Club belongs to dedicated supporters of the Talsi Christian School Foundation who would like to help us be there for future generations. These supporters have made a commitment to the Talsi Christian School Foundation and its core values through their Will, or through an annuity or life insurance policy. When you include a legacy gift for Talsi Christian School Foundation in your estate plan, you will be invited to join our Legacy Club.

Your name will also be placed on our Ministry Partners' Wall to commemorate your generous support. And as a member of the Club, you will receive information about Talsi Christian School Foundation activities through our annual report, an invitation to our annual event. If you prefer, your commitment to the Talsi Christian School Foundation can remain confidential. However, we still would still like to know about your intention to leave a bequest to the Talsi Christian School Foundation.

This allows us to maintain accurate records, and to show our appreciation privately. There are many ways to leave a lasting legacy to the Talsi Christian School Foundation. Discussions with your legal or financial advisor, and/or family, can help you determine which option is best for you.
